FOR AUTHORS

Complete and updated instructions for authors can be found at the Web site http://pefmath.etf.rs

Scope: Graphs and combinatorics, Mathematical analysis and related fields, Numerical analysis, Probability and Statistics, Continuous and discrete mathematical models. Submissions dealing with applications in other sciences or in real-world problems are welcome provided that they focus on mathematics rather than on application itself.

How to prepare articles: Articles should be written in English language. The style of writing must meet usual standards for mathematical papers. Papers written in a careless manner will not be accepted, independently of their mathematical contents.

Authors are requested to use LATEX or any other version of TEX in preparation of their articles, preferably in a LATEX template that can be downloaded from the Web site, together with specific style guidelines.

How to submit: Submissions should be made online, from the Web site. Only pdf files can be uploaded.

Additional information can be found at the Web site.
